FRENCHMANS BAY RIDE

Story & pics by Antoinet

ON Sunday the 14th of November we had a short ride from Albany to Elleker for a coffee and the ride continued to Frenchman's Bay for a afternoon barbeque. About 20 people turned up to cook steaks and sausages. The weather was nice, sunny and a bit cool. It's a magic spot, very calm and quiet. Ray and Judy did back up, but luckily the trailer wasn't needed.

Top: From Triumph to Trike, variety is the key. Inset: Andy, Chester and Tony discussing sausages. Above: Frenchmans Bay in the afternoon.
