

Harley ride around Australia

OUR friend Peter and his mates arrived in Albany on the 19th of October after leaving Sydney in September. The four of them ride 1940ish Harley Davidson's. Three of them on WLA's and Peter rides his Knucklehead. They have a back up van with a little trailer driving behind them with lots of tools and spare parts. They will ride the whole way around Oz in 6 weeks! We were wondering if they would be in Albany on the planned date and yes they were. All blokes were in good spirits and enjoyed the trip.
