

**LOST AND FOUND ON THE WEEK AWAY**

A wallet- later discovered had been left at home.  
 3 lost glasses- They all needed appointments at Specsavers but later we found a pair on the road (lucky)  
 1 lost black bag or was it blue- maybe he needed to go to Specsavers too.  
 1 lost phone , but we discovered him talking on it He's really lost it.  
 1 went looking for rocks that started with a B- but couldn't find them.  
 & finally Lost pills later found under a packet of potato chips.

**Kim all set to get home for bowls**

**Chester on the iron horse at.....**
