CHANGES TO THE CALENDAR

You should have noticed a change in the presentation of the calendar. A few comments have suggested that the font was a bit small, so I am trying this layout. I hope it is easier for those whose arms are not long enough. At the last meeting it was decided to nominate a set direction for the mystery rides on Wednesdays. This will make it better for people who may live in the direction the ride is going. So from now this is the rota for the 1st to 4th Wednesday of the month.

First- Kendenup Second - Denmark, Third- Mt Barker , Fourth -Cheynes Beach The fifth Wednesday will be a real mystery.
