This week away will be straight after the Bunbury Indian/Harley Rally 2022.

We are staying at the Koombana Bay Caravan Park for 5 nights and will ride, relax and explore around the Bunbury Region. Because it is all casual you can do what you want and ride what you want.

Because some members will go to the Indian/Harley Rally on Friday 11 March 2022 with cars and trailers, there is some back up available while we are in Bunbury.

If you book into the caravan park just mention the club's name and they will try to put us all together.

On Friday the 18th of March we will head back home.

CAMPING AT MARANUP FORD, GREENBUSHES.

Fabulous camping area in some great riding country. We think it will be the same price as last year, find out when you get there, never the less it's very reasonable. \$10/ per night. BYO everything including food and drink. Make your own way there and enjoy a leisurely ride. It's a great place to camp, grassy and shady and central to a lot of good rides. It's difficult to find camping spots on long weekends at this time of the year, especially when they're not packed out.
