WE NEED HELP!! HILLCLIMB 2022

Bob Whittingstall has been doing a fantastic job running the Hillclimb for the last few years. He's now enjoying his retirement and wants to get away a bit more, So.... We need someone else to step up to the plate and take up the reins. Bob will be about to help and guide whoever takes the job on.

If you are interested give Bob a call on 0418 944 437 and have a chat about what is involved.

The Hillclimb was discussed at the last club meeting. The club has decided that we won't run the Hillclimb if we can't get someone to take on the position.

It is a really great event, and it would be a shame for it to stop. So give it some thought and get in touch.
